Duty

To do your little bit of toil. To play life's game with head erect:

To stoop to nothing that would

Your honor or your self respect;

To win what gold and fame you can. But first of all to be a man.

To know the bitter and the

The sunshine and the days of

rain: To meet both victory and de-

feat, Nor boast too loudly nor complain;

To face whatever fates befall And be a man throughout it

To seek success in honest strife But not to value it so much That, winning it, you go

through life Stained by dishonors scarlet touch.

What goal or dream you

choose, pursue. But be a man whate'r you do.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
